Fall Community Shred Event to Protect from Identity Theft

Langhorne, PA (August 2017) – Inspire Federal Credit Union, in partnership with Middletown Township, will be hosting a FREE Community Shred Day at the Oxford Valley Mall parking lot on October 7, 2017 from 9am - 12pm.

Identity theft continues to grow each year in the U.S. There are approximately 15 million U.S. residents that have their identities used fraudulently each year, with financial losses reaching near \$50 billion dollars.

Inspire Federal Credit Union and Middletown Township want to remind citizens how important it is to manage documents and dispose of them properly. In addition to protecting your identity, it never hurts to clear the clutter and prepare your home/office for the upcoming year. Specialists from Titan Mobile Shredding will be onsite to help the community dispose of their documents properly. Titan's high security shredding technology can shred 3,000 pounds of paper in a one (1) hour time span.

"This continues to be a popular community event, and I'm proud that Inspire Federal Credit Union is again partnering with Middletown Township to fight identity theft and help the environment. Our Credit Union has been hosting this annual event for over ten years and it seems to grow more each time we host it. The shred event provides the community an opportunity to properly destroy sensitive information to help protect their identity and personal information," said Jim Merrill, Inspire's President/CEO.

For more information, visit www.inspirefcu.org, or call 215-788-5270.
